```
1    $(document).ready(function () {
2        //for the Navbar
3        $(".sidenav").sidenav({ edge: "right" });
4        //for the carousel
5        $(".carousel").carousel();
6        //for the recipes
7        $('.collapsible').collapsible();
8        //for the drop down option when choosing the type of meal
9        //also for the drop in the add_recipe.html
10       $('select').formSelect();
11       //dropdown for the menu bar
12       $(".dropdown-trigger").dropdown();
13       //modal built for the contact form
14       $('.modal').modal();
15
16       //Carousel function which would go round on a set timer
17       setInterval(function () {
18           $('.carousel').carousel('next');
19       }, 3000);
20
21   });
```
